

Assistant Nurse Manager

Nursing & Domiciliary Care Agency | Wembley | £35,000 + KPI Incentives

Join a Respected Healthcare Agency with a Long-Standing Reputation

Established in 1988, our reputable Nursing and Domiciliary Care Agency have been delivering high-quality healthcare staffing and home care services for over three decades. Due to continued growth, we are urgently recruiting an experienced Assistant Nurse Manager to support our leadership team and help drive operational excellence, compliance, recruitment, and business development.

The Role

As Assistant Nurse Manager, you will work closely with the Managing Director and Registered Agency Manager, playing a key role in the day-to-day management and growth of the agency. This is an exciting opportunity for a motivated healthcare professional who combines strong clinical knowledge with leadership and business development skills.

Key Responsibilities

- ✓ Support the Managing Director and Registered Agency Manager in daily business operations.
 - ✓ Assess service users' needs and contribute to the delivery of safe, person-centred care.
 - ✓ Provide leadership, guidance, and support to staff across the agency.
 - ✓ Participate in CQC compliance activities, inspections, audits, and quality assurance processes.
 - ✓ Liaise with Local Authorities, NHS partners, and other stakeholders.
-

Essential Requirements

We are looking for a candidate who:

- Is a Registered Nurse (RN) or Midwife
- Holds a current NMC registration with an active and unrestricted PIN
- Has previous management or supervisory experience within healthcare, nursing, domiciliary care, or agency settings
- Demonstrates strong leadership, communication, and organisational skills

- Has knowledge of CQC regulations, compliance requirements, and healthcare quality standards
 - Is commercially aware and able to support business growth and service development
 - Can work independently while contributing effectively as part of a management team
-

What We Offer

- ★ Competitive Salary: £35,000 per annum
 - ★ Attractive KPI-Based Incentive Scheme
 - ★ Opportunity to influence and shape a growing healthcare business
 - ★ Supportive and professional working environment
 - ★ Career progression within an established and respected healthcare organisation
 - ★ Diverse role combining leadership, recruitment, compliance, operations, and business development
-
